TAKING JESUS TO THE WORLD

Nutt's Notes

December 2011

We wish all of you a very Merry Christmas and a wonderful New Year. At this time of year, we find ourselves looking back at the year that is almost behind us and looking forward to what the Lord has for us in the year to come. This year has truly been a busy, exciting, trying, and productive year for Frankie and me. Over five months of our year has been spent overseas wherever the Lord has needed us. It started out with two months in Yokosuka, Japan, just after the terrible 9.0 earthquake, tsunami, and the nuclear disaster. This was a very challenging situation but the Lord blessed and all worked out well. The disaster in Japan is ever present with me, and my heart goes out to the Japanese people that were affected by this great tragedy. Yokosuka Baptist Church is doing great with missionary Ed Navato. Many souls are being saved and the attendance is back up to where it was before the disaster and still growing.

Frankie and I were in Germany for two months. We were sent to Bethel Baptist Church in Stuttgart, Germany. This was also a very trying situation. The missionary was leaving the field and the church did not have any members or any money. The Lord blessed again and we were able to get out of the lease, pay the bills, move the furnishing out, and clean up the building. BIMI was left with a good testimony. Closing a church is something I never want to experience again. However, a new missionary can go in with a new church and a new location and do a great work there. We are thankful to Rusty and Karen Pilalas for allowing us to stay in their home during this time, and thanks to Tom Lancaster for the use of his van.

We arrived home from Germany on Monday, October 17, and Tuesday we received a call; missionary Russell Turner in Cayman Brac needed someone to fill in for him immediately. Brother Turner informed us that it would be difficult getting tickets on such a short notice, but he needed us there as soon as possible. The Lord worked in this and we were able to fly out Saturday morning, October 22. We were able to use our sky-miles to Grand Cayman Island, and there we purchased tickets to Cayman Brac. Brother Turner and his wife were able to return to the States for a few weeks.

We are enjoying our time here. Brother Turner has some wonderful people in his church. Frankie and I have had plenty of time to sit under the coconut trees and the almond trees and watch the ocean waves. We have enjoyed the ministry and have seen the Lord work in hearts and lives. Our services have been great and the Lord has been working. We are to leave Cayman Brac November 18.

When we arrive home, Steve has a doctor's appointment, and Lord willing we will take time to get our physical problems taken care of. We praise the Lord for the souls saved and lives changed during these trips. Through our soul winning and church services the Lord has allow us to see 29 people saved. We thank the Lord for those of you who have helped make this all possible. Frankie and I do not have the finances or strength to do this on our own. Thank you for investing in us and Military Missions.
