Frankie and I are enjoying the work here at Maranatha Baptist Church on Okinawa, Japan. We are to be here until May 20. It is amazing to see what the Lord has done here in these last few months. The church has called Missionary Gary Craft, and he will be coming in as missionary pastor in May. The Lord has also provided a ministry director, Japanese secretary, church and school secretary, and others in key positions. With the new Japanese secretary we are able to start updating all of our required paperwork for the church and school. This had developed into quite a problem. There is still much to do, but we are thankful for the Lord's blessing on the work. It has been exciting to see souls saved, baptisms, new members, and homes being restored. We have several new missionary families that are coming into military missions with BIMl from Maranatha Baptist Church. It is exciting to see these young couples that have surrendered to missions now approaching their retirement from the military.

We are to be back at BIMl to teach in candidate school in June. I am especially excited this year because Dana and Anna Labit are to be in the classes. Dana is retiring from the military this month. He is a captain in the Marine Corps. We have had the privilege of pastoring this family twice during their service for our country. Dana and his wife are great witnesses and hard workers in the church. He is an outstanding leader and will excel in military missions.

In mid-June I am to be interim pastor of Heritage Baptist Church in Germany. We are to assist this great church in finding a missionary pastor. Frankie and I are scheduled to be in Germany three to six months.

We appreciate your financial support and your prayers. Thanks for being our partners in missions. Phone while in Japan: 423-591-0180, email address: [twonutts@gmail.com](mailto:twonutts@gmail.com). Support for Steve and Frankie Nutt should be sent to BIMl Account #827.
