Nutts' Notes

Frankie and I would like to thank you for your faithfulness in praying for us during this time. The Lord has blessed and our health is very good. Both doctors have cleared me for overseas travel, and it is a great answer to prayer. We are very thankful and excited that the Lord has blessed in such a way. We also appreciate your faithfulness in monthly support. We feel so blessed to be able to partner with you in Military Missions.

As you know we are helping put together the GI Banner for Military Missions. We are excited about this, and we are seeing the Lord bless with this undertaking. We are also coordinating and participating in the relief ministry for BIMl. This is an exciting opportunity and has kept us extremely busy. We are attempting to coordinate retired missionaries and pastors as relief missionaries for one to three months. It would be helpful to have men that speak a foreign language and that could relieve in certain areas.

Sunday, August 4, Frankie and I celebrated our 51st wedding anniversary. Twenty-two of these 51 years have been celebrated on the mission field. This year for the first time in a long time we celebrated our anniversary in the US. It seemed strange but we enjoyed a great day. On July 23, our first great granddaughter was born, Darien Lee Caine.

If we can be of any service to you, we have openings for missions conferences and missions emphasis Sundays. Please contact us: phone 423-544-4045, email twonutts@gmail.com. Support for Steve and Frankie Nutt should be sent to BIMl account #827.
