

November 2016

Nutts Notes

Frankie and I wish you a very blessed Thanksgiving, a Merry Christmas, and a Happy New Year. We are excited about the new year coming up. The Lord wants to do a great work in this new year. If we allow Him, we could see great things accomplished for our Lord. We have an opportunity and responsibility to move the heart and hand of God through prayer.

As we write this prayer letter, Frankie and I are in Yokosuka, Japan. We will be here September, October, and November. Lord willing, we will return home November 29. We are filling in for Pastor Ed Navato at Yokosuka Baptist Church outside Yokosuka Naval Base. This is a great church; it is a privilege to serve with these wonderful people. We have had very good response in the services, and the Lord has allowed us to see seven people make a profession of faith in Christ. So far, two have followed the Lord in baptism, one young sailor and one Japanese lady. We have ladies and girls soul winning on Wednesday morning and men and boys soul winning on Friday night. There has been a real good turnout for soul winning visitation. The ladies pass out tracts at a large shopping mall near the base. I have especially enjoyed our soul winning outside the main gate of Yokosuka Naval Base. There have been at least seven first time visitors in the last few weeks from this effort. Pastor Navato is doing an excellent job here. It is a privilege to fill in for him these few months.

Frankie and I appreciate your love and generosity that enables us to serve our Lord and Savior, Jesus Christ.
