

Nutts' Notes – Nutts about Missions

April 2019

Frankie and I would like to thank our supporting pastors and friends for your faithful prayers and support. We are very grateful to you for your help in making it possible for us to serve our wonderful Lord. For the past few months, we have been filling in at Lighthouse Baptist Church near Luke Air Force Base in Avondale, Arizona. Pastor Ron Manuel started this store front church several years ago. This is a BIMI Reseeding America church. Pastor Manuel has been sick for a while. We are schedule to leave here April 1. The pastor is doing much better and will be able to step back into the pulpit when we leave.

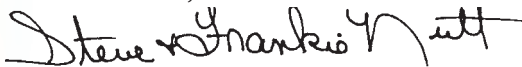

The Lord has certainly blessed during our time here. The Lord has given us an increase in attendance and has blessed His Word. At our church soul winning visitation there have been at least 13 professions of faith in Christ. Four people have walked the aisle trusting Christ as their Savior: two teenagers and a husband and wife. Praise the Lord one of these is active duty Air Force. We have also seen two saved in personal soul winning. One lady has joined the church by letter. The pastor has four people lined up for baptism as soon as he is able.

We have also been very busy helping coordinate the ARM Ministry, preparing a report for the Logistic of Military Missions. Please help us pray as we coordinate the Fill-in Ministry for BIMI. It is very challenging to help our missionaries as they come back on furlough. We praise the Lord for how He has so wonderfully blessed. Thank you, Lord, for allowing us to serve you.

We are available for Faith Promise Mission Revivals. Support for Steve Nutt - Account #827 send to BIMI
