

Nutts' Notes – Nutts about Missions

March 2020

Thank you for your prayers and faithful support.

There are many needs today in the ministry to US military. There is a constant need for couples to relieve missionaries around the world. Missionaries return for several reasons, some for furloughs and some for serious health needs. It is a blessing for them to have someone trustworthy to supply for them.

There is also a great need for new missionaries to Military Missions. Our military deserve some of the best pastors available. One of the most fulfilling and rewarding ministries is to or US Military. If you do not receive the GI BANNER, please go online and read some of the great testimonies from military personnel who have had life changing experiences in our churches to our military. It may be read at www.bimi.org/onlineMags/201gibanner/index.html. BIMI through Military Missions offers a real home style, independent Baptist church near military bases off base around the world.

We also coordinate the ARM ministry for BIMI. There is a great need for pastors and preachers to fill in for a few weeks or months all around the world. We have more opportunities than we do available couples to fill in. Recently we have had needs for Uganda (3), Fiji (2), Canada (2), Japan, South Korea, Germany, and Spain, just to name a few.

If we may be of any assistance to you, please contact us. Phone: 423-544-4045 or email: twonutts@gmail.com. Support for Steve and Frankie Nutt should be sent to BIMI account 827.
