

Nutts' Notes – Nutts about Missions

September 2024

You have been faithful and generous in your financial support. We have certainly needed both in the last few months. We are late with this prayer letter because we were waiting on doctors reports. We are still waiting on one report. We will give more information in this letter.

In June, we were privileged to assist with and teach in BIMI's candidate school. We praise the Lord for the excellent group of new missionaries.

Victory Baptist Church Rossville, Georgia Camp Meeting Pastor Dr. Ernest Groce

We had the honor to represent BIMI at the Victory Baptist Church Camp Meeting with Pastor Ernest Groce. This was an excellent meeting.

It is a special blessing to preach for Pastor Jimmy McMillan and the great people at Baptist Tabernacle. It was wonderful seeing many friends and former members.

We have faced several physical problems in the past months. We are both up and going at this time. Praise the Lord for His Grace and Mercy. Frankie fell coming out of the Dentist office and could not walk or stand for six weeks. During this time I pulled a muscle in my back. When I went to the doctor, he also found other problems. The doctor found I had kidney stones, and he sent me to two other specialists. They found I had Hiatal Hernia, which is causing problems.

We are both up and running now though. We have meetings scheduled and would appreciate your praying for us as we travel.

We also coordinate the BIMI ARM Ministry. This is Assistance & Relief Missionary couples filling in around the world for missionaries on the field.
