

# Nutts' Notes – Nutts about Missions

February 2025

We appreciate you more than you could realize. You have stood with us over the years. The Lord has used you to keep us going through great times, good times and hard times.

Praise the Lord for the opportunity to close out a Missions revival again with Fountain City Baptist church in Prattville, Alabama. It is always a great blessing to preach in this great church. Pastor Moore and his wife are a great blessing to the church.

Praise the Lord for the opportunity to preach an old fashioned mission revival at Park Meadows Baptist Church in Lincoln, Illinois, a Monday night through Sunday night meeting. The Lord blessed with a great increase in Faith Promise and touched hearts. Pastor Duncan Smith and his wife are doing a fantastic work. This is their first church. They were well prepared and well organized. They are having souls saved and the church is growing.

An update on our health – I had to have hernia surgery. Then I had COVID and a bacterial infection. Frankie has fallen twice since our last letter. She is now getting over a very serious sinus infection.

We are now ready for meetings. If we can be of any help to you please call – 423-544-4045. [twonutts@gmail.com](mailto:twonutts@gmail.com).
